Testimonials

"We choose CareersinAudit.com because in our eyes it's the only Audit job site worth investing in. We have many years' experience recruiting Audit professionals and it's the 'go to' site for the best Audit and Risk candidates. Stephanie and Simon are a joy to work with and they treat every client like it's their only client. I would absolutely recommend CareersinAudit.com, for the above reasons primarily. Financially it makes complete sense but also the relationship is rewarding and just as important too."

Andrew Bell, Director – Hanami International

"As this was the first time Audit Scotland has used your site I was impressed with the service received and by how easily it was to post a job via your team. We will certainly use this job site for future vacancies."

Susan Fisher, Assistant Human Resources Manager – Audit Scotland

"I've been using CareersinAudit.com for the past 2 years and I am extremely happy with the applications we have received so far. We have been successful in hiring across multiple countries and at different seniority levels."
